

Nina Finkler
AUTISM
CONSULTING

GET YOUR TEAM IN SHAPE with Autism Training for your Staff!

Nina Finkler Autism Consulting can help get your Autism/Behavioral program in tip-top shape by training your staff on best practices in effective teaching strategies for students on the autism spectrum.

An LDT/C, BCBA with nearly 30 years experience, Nina Finkler provides professional development designed to meet the needs of your program.

Training Topics Include

- Practical Applications of Applied Behavior Analysis: Strategies for Students with Autism
- Effective Strategies to Support the Learning of Student's with High Functioning Autism
- Professional Training in Behavioral Teaching Strategies
- Inclusive Programming for Children with Autism Spectrum Disorder (ASD)
- Developing Effective Public School Programs for Children with Autism
- I.E.P. Development: Legal and Clinical Considerations
- Providing Quality ABA Programming in a Public School Setting
- Ethics in Applied Behavior Analysis

We can also develop a training program to meet your specific needs.

Call (609) 608-5061 or email nfautismconsulting@gmail.com to schedule your training today!
